TEXAS HORSES TO THE FORE,

FIRST PREMIUM AND DON DOMO FIGHT IT OUT IN HANDICAP.

De Mund Finishes in the Ruck-Juggler, with Mountain Up, Wins Corona Stakes -Miller Gets a Fall.

New York, April 30.-Texas bred horses, carrying the colors of Texas owners, cut a big figure in the racing at Jamaica today, their success proving conclusively that the Lone Star state is coming to the front in thoroughbred breeding. Hands Around won the opening race for F. T. Wood; Dr. Hollis carried the same owner's colors into second place in the next race, while in the handicap, which came third on the card, J. W. Fuller's First Premium and H. S. Newman's Don Domo, both Texas-bred, fought out the issue, with the \$45,000 De Mund back in the ruck.

It was the first appearance in the east of the gray horse Don Domo and he showed a high class performance, beating some fair eastern horses aside from First Premium, which was something of a sprinter here last year, comes back a good horse. It was his first start here this season and he is likely to take great prominence among the season's sprint He carried 122 pounds and ran the distance in 1:131.

De Mund, although he was making great weight concessions, was looked upon as the best of the lot. but he was outrun at all stages. The break was perfect and, so far as could be seen from the stand, there was no interference at the start, but De Mund did not draw out into a big lead as was expected he would. He at once dropped back. On the far turn he appeared for a moment like moving up to the leaders, but retired again. While the weight might have kept him from winning, the absence of his customary early speed was unexplainable. He was apparently in the best of condition and his trainer believed that he would win sure.

Barbary Belle was the single winning favorite of the day. Molesey, the choice in the fifth, was best, but being poorly ridden by Clausen, gave the winning opportunity to old Savable. Orphan Lad, the choice for the Corona Stakes, was worn out in making the pace and Mountain got Juggler home an easy winner. This makes the sixth stake winner Mountain has ridden since the season opened April

In the opening race Epocha, which was a backed second choice, fell on the far turn. Walter Miller, who had the mount, was slightly injured and was compelled to cancel his engagements for the He may not ride tomorrow.

Gray horses were prominent in the racing. Hands Around and Bennie Williams, first and third respec-

tively in the first race and Don Domo all are grays.

A very good card is presented for tomorrow with the Greenfield Stakes for two-year-olds as the main feature and with such good horses as Fustian, Banner, Slickaway; Bereaud, Jr., Gold Foil, The Thorn; Jacquin, Robador, Maxnar; Apple Toddy, Sepoy, Woodlane; Marathon, Tanager, Cobleskill; Whimsical, Philander, W. H. Carey; Youthful, Senator Beckham and Raimondo likely to be seen in action the racing promises well in all respects.

JOCKEY H. SMITH IS UNDER SUSPICION

Stewards to Investigate His Handling of George P. McNear and Native Son.

Oakland, Cal., April 30.-Today's racing was un eventful and of average quality. The weather was perfect and track fast and approximately 8,000 persons were in attendance. The first half of the card produced satisfactory results, as three favorites won in succession. After that, outsiders held sway. upsets began with the victory of Sugarmaid in the handicap at seven furlongs. Blagg took the fifth and Bob Ragon the sixth. H. Smith rode two horses for Harry Stover in such a suspicious manner that the stewards may rule him off. His shortcomings on George P. McNear, the favorite in the feature affair, were generally ascribed to incapacity, but when he pursued similar but more pronounced tactics on Native Son in the race following, his employer and many of the spectators inclined to the belief that he was riding with intent to lose. Mr. Stover denounced Smith vigorously and the stewards have decided to investigate. The odds against Native Son lengthened throughout the betting, not-withstanding persistent public and stable support.

DAINTY DAME'S IMPRESSIVE RACE.

Ancient Is a Good One-Zal Quits In the Stretch-R. C. Rann Scores.

Lexington, Ky., April 30.-Local owners were again much in evidence today, the winners of four of the races being furnished by stables which have wintered at the Kentucky Association course. In the second race Dainty Dame made her first appearance of the season and spreadeagled her company winning in a little better than a good gallop. She has filled out and developed into one e finest looking three-year-olds racing here. It will take a good one to ceat her in her engage ments along the line.

In the opening race the Cesarion filly, Ancient which was left at the post on the opening day, showed her true merit by simply walking away from the others today. She went to the front after they had gone a quarter and was hard held all of the last furlong.

The first run-up of the meeting came after the Bourbon News was entered for \$500, and Frank Risk, formerly starter at Suburban Park Algiers, Louisiana, bid him up to \$1,000 and secured him at that figure.

Grover Hughes, trainer for J. H. Patterson, who was represented in the race by Rossessa, put in a for Gambrinus, but on protest from William Gerst the claim was not allowed, as Hughes was unable to show that he was an authorized agent for Patterson. Gambrinus had a large following and defeat was a keen disappointment. The colt had worked very fast, but a poor start ruined his chances. Boland kept breaking through the barrier with Gambrinus in an attempt to get the best of the start and when they were finally sent away he got the worst of it. As a result of his anxiety at the post Boland earned a suspension for the re-

mainder of the meeting, besides of a fine of \$100. Zal, William Gerst's Kentucky Derby candidate, made his final appearance before the big race, in the mile handicap this afternoon, in which he was defeated by John L. Inglis. Zal showed to much better advantage than he did Saturday, but at that his race was far from what one would expect of a Derby colt. Zal displayed speed for six furlongs and then quit, which would lead one to believe that he is not a horse that fancies a long route.

R. C. Rann, J. C. Milam's two-year-old, which worked so fast at Memphis before being shipped here and which was touted as being a high class colt, beat Great Pirate out a head today after a driving finish. While R. C. Rann will probably win races, he is far from the colt his people claim.

Della Thorpe made an exhibition of the others in the sixth race. She went to the front when called on and drew away in the last quarter under re

Edward Corrigan and H. D. Brown were among the visitors at the course this afternoon. Mr. Cor-rigan came from Chicago, while Brown came on from New Orleans.

The track will be slow tomorrow, but the purses have filled well, and with such horses as Barnsdale, Fleming, Vipsania; Skyo, John Marrs, Black Mary; Boxara, Mortiboy, The Abbot; Bucket Brigade, Wild Cherry, Civet; Posing, King Leopold, La Fayette; Dick Redd, Golden Mineral and Request among the probable starters there should be good and well contested racing.

JUBILEE OUTGAMES BILLIE HIBBS.

Littlefield Has His Revenge When Compute Colt Wins Druid Hill Park Stakes.

Baltimore, Md., April 30 .- The experts who had come to the conclusion that Billie Hibbs was the best two-year-old in this se etion had occasion to everse their opinion today. Stakes Billie Hibbs was beaten, seemingly on his merits, by Fred Littlefield's Compute colt Jubilee. As usual, Billie Hibbs broke in front and set a hot pace to the stretch. Here Jubilee came up and in a long drive outgamed Billie Hibbs. The colts had met twice before and each time the verdict had gone to Billie Hibbs. Littlefield, however, was not satisfied and has always contended that he had the better colt. In the Jesse Brown Cup at Benning the distance was a half mile and this favored Billie Hibbs, which is a quick breaker. In the Clabaugh Memorial last Wednesday the distance was 41 furlongs, but the track did not suit Jubilee and he made a poor showing. Today he had his distance and track and won like a good one. He is a colt fine conformation, game to the core and looks as if he will go on.

steeplechase, was run off. The racing people here are very fond of these cross country races and the management is catering to that feature. The race today brought out seven starters and was hotly contested. Paprika and Rocket had this issue to them selves at the end and in the run on the flat Rocket outstayed Paprika. Courtland Smith was starting his good jumper Mr. McCann for the first time this year and thought well of him. Mr. McCann showed a good turn of speed, but was evidently short.

Ormonde's Right came right back today and won the third race with a rush in the stretch after Hyperion had set a warm pace and opened a big

Talien outbroke and outpaced the others to the last sixteenth, where she tired. Gluckstern, away poorly, closed a big gap into a fast going third. Janet L. showed early speed but failed to stay. Gigana, shut off at the start, worked through a rough journey into a fast coming fifth. Rio Vista finished well. Agrippina got away badly and can do better. Katle Gleason showed early speed. The winner was entered for \$500; no bid.

Sugarmaid from a good start was luckily placed and trailing the leaders in the early running wore them down finally at the end of a fast stretch sprint. Cloudlight established a lead quickly and being excessively urged proceeded to spreadeagie her opponents in the first half but tired and succumbed in the last stride under a weak finish. George P. McNear was shut off on the first turn but ran into stremuous early pursuit of the terrific pace and finally swerved badly in the stretch. J. C. Clem, always well up and reserved for the first half, closed up like a cyclone in the last quarter and ran a cracking good race. Rubric was shuffled to the rear at the start and was never dangerous afterwards. Martinmas was outpaced to the stretch, where he finished well but has lost his former speed.

ARCITE NOT SO HIGHLY ESTEEMED.

Louisville, April 30.—The disappointing performance of Arcite, up to this time favorite in the Kentucky Derby, is still the talk of turfmen, and the "wise men" are beginning to believe that George J. Long's colt will not do at a mile and a quarter. Arcite's best mile is 1:42%. Sir Huon, George J. Long's Derby winner in 1906, worked a mile the day before the race in 1:413. The track then was at least a second slower than it was yesterday. Again, Sir Huon worked the Derby distance in 2:08\$. Arcite's best trial was 2:11\$, and he was all out.

This serves to inject unusual uncertainty into the race and consequently adds interest to the outcome. It seems sure that ten starters will go to the post next Monday afternoon. Ovelando was jogged a mile today. Pink Star cantered a half in 54. He will be set down tomorrow morning for a real trial. T. P. Hayes' Redgauntlet was recently sent a mile in heavy going in $1:47^{\circ}_{5}$. If the track is slow on

Derby day the Hayes colt may rule favorite.

Winner—Br. g, by Hamburg—Elisive (trained by F. Burlew).

Went to post at 3:54. At post 1 minute. Start good. Won easily; second and third driving.

Juggler ran in suddenly improved form, was always within striking distance, came on with a rush and drawing away was easing up at the end. Rye was knocked back on the far turn when in a good position and could never fully recover but finished very fast. Orphan Lad was taken right to the front and set the pace fast but fired in the stretch as if not ready for such a long journey. Campaigner ran a good three-quarters. Orbicular was never prominent. The winner was entered for \$1,500; no bid.

Winner—B, g, by Phoenix—Glen Waltz (trained by W. T. McGivney).

Communipuw ran close up to Dr. Lee to the stretch and came away in a resolute manner in the last sixteenth and Brussel took no chances and rode him out smartly. Millstone came from a long way back in the stretch and was going fast at the end. Wise Hand ran a fairly good race. Dr. Lee, off flying, showed the most early speed but quit when the pinch came. Coat of Arms closed a big gap. Kernochan was off badly and made up much ground. The winner was entered for \$500; no bid.

Winner—Br. f, by Handspring—My Fair Ketneky (trained by A. L. Darnaby).
Went to post at 2:57. At post 3 minutes. Start good. Won cantering; second and third easily.
Dainty Dame was favored by the going and very fit, spreadeagled her opponents and was well in hand all through the last furlong. Fantastic broke slowly but came fast in the last quarter and easily disposed of Miss Alert. The latter was made too much use of in going after the leader in the run up the hill-and she thred in the stretch run. Fay was never extended and can do better.

Winner—B. c, by Cesarion—Colleen Rhue (trained by J. Hergenrether).

Went to post at 3:27. At post 6 minutes. Start good. Won easily; second and third driving. Bourbon News was greatly favored by the going, ran forwardly on the inside, saved ground on every turn, finished fast when straightened out in the homestretch and was going away at the end. Gambrinus broke slowly and ran on the outside for the entire trip and went to the leaders with a rush on the turn into the homestretch but lack of condition told at the end and he tired in the final drive. Rossessa showed the most early speed and was a keen contender until in the last furlong, where she tired. Oak Grove ran well. La Sorciere tired. The winner, entered for \$500, was bid up to \$1,000 and bought by F. Risk

Scratched—68428 Braden, 114; 68195 Rebo, 111; 64453 Heine, 108. Overweights—Rossessa, 2 pounds.

FOUST LAW NOW IN QUESTION.

Whether or not Tennesseans are to be permitted to go to the tracks and make their wagers as of old, will be known within the next sixty days, cording to the belief of the officials of the New Memphis Jockey Club, who have resorted to court proceedings to test the validity of the Foust law, enacted by the last legislature.

Preliminary hearing was had last week and an appeal to the Supreme Court was taken. Every effort has been made by attorneys acting for the jockey club to hurry the proceedings to the higher tribune and a final decision is expected at the June term of the Supreme Court.

"Although there are few laymen that advance opinion on the Foust law or its constitutionality, legal opinion from the highest sources in this state has been given the jockey club officials which caused them to take the course they have mapped out," says a Memphis dispatch. "It is said that a fellow legislator on the best of terms with Senator Foust, the father of the measure, attempted to pre vail on him at the time it was introduced to alter certain clauses which seemed unlikely to hold when taken before the Supreme judges.

"The law as it stands today prohibits poolselling forms on any horse race within or without an inclosure, whether held within the state of Tensee or outside the state, and on just what grounds the attorneys will base their contention of unconstitutionality will not be known for several days.

"By appealing to the Supreme Court two years friends of racing in Tennessee succeeded in knocking out the anti-racing measure known then as the Rice-Ligon law. A mere technicality saved the sport at that time."

ROSEBEN FOR THE METROPOLITAN.

"Dr. Gardner, because of his easy victory in the Excelsior Handicap, is already regarded as a possible winner of either the Brooklyn or the Suburban Handicap," says the New York Sun. "As Roseben, from the same barn, is being pointed for the Metropolitan Handicap at Belmont Park, it is believed that Dr. Gardner will not start in that event, but will be specially prepared for the Brooklyn at Gravesend. Roseben, by the way, showed a phenomenal trial at the Brooklyn Jockey Club's track Dave Johnson, Frank Weir and others last Friday. timed the big fellow a half mile in 46% and five furlongs in 59%, with Jack Martin up. This work was done so easily that Johnson believes Roseben cannot lose the Metropolitan at a mile

"It will be remembered that when Roseben broke the American record for seven furlongs and ran the distance in 1:22 flat with 126 pounds at Belmont Park last fall, the Westchester Racing Association offered a \$5,000 purse and a gold cup if Roseben could beat Salvator's record for a mile, 1:35½, made over a straight course. But the day Roseben was scheduled to try it rained, and the track was turned into a sea of mud. At that Roseben would probably have come very close to Salvator's figures, as he was in grand condition. Johnson says the Big Train, when he goes to the post for the Metropolitan, will be every bit as good as he was when he broke the seven furlong record, and as the champion sprinter always did like the Belmont Park track, his owner naturally feels sure of the prize.'

MAY ENLARGE JAMAICA COURSE.

New York, April 30.—There is better than a possibility that the Jamaica course will undergo most important changes before long. meeting of the directors of the Metropolitan Jockey Club within the next ten days to consider the advisability of converting the course into a mile and an eighth oval.

To accomplish this end it is proposed to take in sufficient of the property to the left of the present track enclosure. The club owns a five-furlong strip and it would only mean the changing of the right

proving of the course. Several of the directors are known to be in favor of the much-needed improve ment and at this time the prospect is bright for another excellent track on Long Island.

Ever since Jamaica has had races the track itself has been at fault, on account of its cramped condi-All this would be done away with and the enlarging of the property would do much to make it a wondrously popular racing spot. It is easy of access and the stands are commodious and comfort-

With a bigger track there would be a greater variety to the racing and the danger of the turns would be removed. It would also make possible the establishment of a first-class steeplechase field, thereby attracting a most desirable clientele to the

MERGER RUMOR IN KENTUCKY.

Louisville, Ky., April 30.-Rumors of an impending merger of the two turf governing bodies in the west are again rife. Louis A. Cella, who represents the greater interest allied with the Western Jockey Club, has engaged rooms at a local hotel for the first three days of next week and it is said that while he is here he will have a meeting with repre-sentatives of the American Turf Association. The idea, as it is understood here, is to form a new governing body out of the membership of the pres ent bodies and possibly to take in some other per sons not now members of either organization.

BEHIND THE TIMES.

nator Curtis of Kansas was praising newspapers. "They are, taken all round," he said, "a wonder ful institution and most of the complaints made against them are to the initiate as groundless as the complaints of a young lady I overheard at a 'Plague on the old papers, they're race meeting. always behind the times,' she said.

'How so?' asked her husband.

"'Oh, take racing, for instance. print the winner's name till the day after the race, when it's too late to bet.' "

JEROME ADMITS DEFEAT.

Albany, N. Y., April 30 .- District Attorne; Jerome sees little hope for the bill designed to put an end to betting at racetracks, introduced early in the session at his request.

"It looks as if the racetrack bill would not be passed this session," Mr. Jerome said last night. "I shall consult some of the members about it, however. Perhaps it is gentlemen's sport, but when stewards of tracks go to the poolrooms to place their bets, it looks like another kind of sport.'

ARGUING BUTLER'S APPEA

New York, April 30.-Arguments are being made before the Appellate Division of the Supreme Court in Brooklyn in the case of the Empire City track, the owners of which seek to secure a racing license from the State Racing Commission. The case was decided in favor of the commission in the Supreme Court, the commission having decided against a

Louisville Derby

If ever there was a sure thing nursed and carefully prepared for a Derby, this horse is the surest of the sure. This ironclad clinch will have to fall down to lose. Lester and his band of expert clockers have been on the grounds at Louisville for the past six weeks and scarcely has a horse made a move out of a stable that Lester's clockers have not a line on. Lester's office is in Louisville, and not three thousand miles away from the scene of what takes place. Get wise,

Wonderful Winning System

A cool, conservative method of playing the races, wherein SUCOESS IS ASSURED. You are fully protected against "over-betting". IT IS SIMPLE, EARY. Requires only a limited capital and no knowledge of horses or handtcapping. I guarantee that anyone can, with five minutes' study each day, PLAY AND WIN: For particulars,
